What's New in the AutoCAD?

New Documentation Repository: A new location to find high-quality, optimized AutoCAD content: www.autodesk.com/resources/autocad-2023. Advanced Note Options: Change the color of the note text, add or delete a note to a drawing, apply a view filter to the notes, and more. (video: 2:24 min.) Radial Gauge: A new way to mark and scale an arc with a dial-style gauge. Quickly and easily create arcs and lines that follow the direction of your drawing. (video: 3:43 min.) Guides: Organize your drawings by guides and layers to easily and effectively connect drawings and layers from one project to another. Use guides to reference content and components that are not in the current drawing or view. (video: 3:32 min.) Dynamic Guides: Show changes as you make them, dynamically. Create dynamic guides that highlight new dimensions or make you aware of a change in a drawing. (video: 2:57 min.) Bulk Export: Export your drawings into one format instead of dozens, all at once. New option to export all available formats of a drawing simultaneously. (video: 2:34 min.) Single Line: A new command that lets you create lines with a single click. Quickly create curved and straight lines. (video: 1:35 min.) Multiline and Arrows: Create a multiline arrow without line segments. Use Multiline to draw arrows with custom angles. (video: 2:54 min.) Multiframe Adjust: Set the position of multiple frames and move and rotate them all at once. Find a specific frame in a multiframe. (video: 2:19 min.) Clipping: Easily combine different parts of a drawing into one new drawing. Change a few properties and instantly clip to create one drawing. (video: 3:01 min.) Drawing and Raster History: Drawing and raster history: Add drawing attributes to a previous drawing to make a new drawing. See and save changes from a previous drawing. (video: 3:48 min.) Drafting Tools: Snap to: A new way to quickly snap to a point or a line. A

System Requirements:

Minimum system specifications: Dual core CPU, 2 GHz OS: Windows 7, Windows 8, Windows 8.1 Processor: Intel Core 2 Duo, Intel Core i5 Memory: 2 GB RAM Hard Drive: 20 GB available space Graphics: 1 GB (or greater) Video memory Sound card: DirectX compatible sound card with at least one speaker DirectX: Version 9.0c or greater Recommended system specifications: Dual core CPU, 3 GHz OS: Windows 7, Windows 8
