Goobermint, and why do we need it? - jackoneill  
===== alanpike > Libertarianism is both a political theory and a lifestyle. It creates a > society in which the government has only three major functions: 1. To secure your life, liberty, and property. 2. To provide police and military protection. 3. To maintain public order and prevent the misuse of power. While I agree that in a purely anarchistic society all we need are
